The Official Newsletter for www.Bondfields-Shoes.com

Issue No. 19 - August 2009

From Susan . . .

I must apologise for the lack of a newsletter for the past few months.

I have not been in shop much over the past four months due to a knee injury. One of those that happen when you haven't done anything. It's amazing what you learn about your body when something like that happens. I hobbled around for three months, went to massages, acupuncture, physio and even magnetic treatments. Actually healed one problem and then got another. Which required a small operation on my knee and I am just starting to walk properly again. Hence I have become quite used to wearing flat shoes. Boy am I looking forward to wearing a pair of high heels again. Hopefully by Race Day I will be back to normal.

As I said in my last newsletter I have been searching for ranges of lifestyle and comfort shoes and also brands to add to our range of shoes with orthotics.

Well we have succeeded. This Spring/Summer you will see several new brands of lifestyle/comfort shoes and more with orthotics.

Some new brands will include Naot, Merrill, Planet, Kubo, Ecco, Reiker and of course Kumfs. Most of these brands cater for the lady who wants lifestyle and comfort and also cater for the lady who requires to foot orthotics in her shoes.

We have a brand new range of evening shoes arriving this month for mothers of the bride/bridegroom and some great shoes for the young ladies formals.

A new range of jewellery which will delight you and look spectacular with your outfit.

Don't forget our fascinators have started to arrive together with a first shipment of our new season Guess Handbags.

As you scroll down you will be able to view some of our exciting new shoes for summer. This is just the beginning of our stock.

Our summer stock will see all your needs met whether it be a high fashion shoe, a lifestyle/comfort shoe, fashionable sandals and slides in varying heights and not to forget our always popular Hush Puppies. And for ladies requiring orthotics our new extended range will delight you.

Make sure you view our handbag holders. Have you got one to put your handbag on when out and you have no where to sit your bag. These are very popular as gifts and everyone should have one in their handbag. (See pictures below)

Ladies don't forget that 90% of our brands are exclusive to Bondfields and can't be found anywhere else.

So don't forget to shop at Bondfields where customer service is our motto and your every shoe need is met.

***Store News:** Our '**Comfort Range**' has started to arrive and we will be endeavouring to keep as much stock as is possible all year round. This will allow us to cater for the ladies who are travelling and the seasons where they are travelling are the opposite of ours. Our comfort range will include shoes at all prices to suit your budget whatever that may be.
